2027 calendar, from the College staff feed

Term 1: 29 Jan – 9 Apr, 11 weeks (Weeks 1A–11A). Term 2: 28 Apr – 25 Jun, 9 weeks (1B–9B). Term 3: 20 Jul – 24 Sep, 10 weeks (1A–10B). Term 4: 11 Oct – 8 Dec, 9 weeks (1A–9A). 39 teaching weeks in total; the A/B cycle runs continuously across the breaks, which is why Term 2 opens on a B week and Terms 3 and 4 open on an A week.

Where the three tasks sit

Task 1: Term 1 Week 7A (w/c 8 March), in class — the week both 2026 Italian grids used, kept. Task 2: Term 2 Week 6A (w/c 31 May), in class; it moves off Week 9A, which 2026 used, because 14 June is the King's Birthday holiday, 15 June carries the Year 10 parent-teacher interviews and 21 June is the 5–10 report deadline. Task 3 is the Preliminary examination, inside the Year 11 Examinations block, 6–18 September (Term 3, Weeks 8B–9A).

Assessment in the composite room

In-class tasks fall in different terms, so no course sits a listening paper while the other is listening: Beginners listen in Term 1, Continuers in Term 2. The examination block runs the two courses in separate rooms with separate papers, so the listening conflict does not arise. Weights are unchanged from 2026 — both courses run 30/30/40, and both keep Listening 30, Reading 30, Writing 20, Speaking 20. What differs is the split: Beginners put Listening 20 and Reading 10 in Task 1, then Reading, Writing and Speaking in Task 2; Continuers put Reading 20 and Speaking 10 in Task 1, then Listening 20 and Writing 10 in Task 2.

Why the examination papers should run early in the block

Year 11 report and ROSA data are due 22 September, four days after the block ends on 18 September (a Saturday). Sitting both papers in the first week, 6–10 September, leaves a week for marking and moderation instead of two working days.

Assessment calendar submissions

Only the two in-class tasks need a Trumba entry — four in total: Beginners Task 1 and Task 2, Continuers Task 1 and Task 2. Task 3 needs none, because it is the Preliminary examination and already sits in the College examination block.

Italian course documents

The 2026 grids for both courses are the weight source, in Cowork OS/03_Assessment Checking/26 SS AG/11/. The 2024–2026 teaching record, including the material Juliette Dahdah built (134 of 188 attachments), is in italian/record 2024-2026/.

Still to settle

The 2027 Edval timetable, so the double period has a day; who teaches the composite; and whether the Beginners cohort for 2027 is confirmed. The 2026 Italian grids used Week 7A and Week 9A — Task 1 keeps its week, Task 2 does not.
